Learning Agreement

Before the Mobility

Before the mobility incoming students have to prepare a **Learning Agreement** for studies. The Learning Agreement should include a list of courses chosen to study at Andrzej Frycz Modrzewski Krakow University. It has to be accepted and signed by:

- 1) the Faculty Coordinator at Andrzej Frycz Modrzewski Krakow University (Receiving Institution)
- 2) the Sending Institution
- 3) the student

Andrzej Frycz Modrzewski Krakow University is connected to the Erasmus Without Paper.

Students should prepare the **Online Learning Agreement (OLA)**: <https://learning-agreement.eu/>

► For more information about courses, Learning Agreements, or ECTS, please contact the **Faculty Coordinator**.

During the Mobility

Changes of courses or amendments to the Learning Agreement can be made **within ONE MONTH** since the beginning of the semester. In every case, they have to be accepted both by the Sending Institution and the Receiving Institution.

► If you want to make any changes, please contact the **Faculty Coordinator**.

After the Mobility

After the mobility students receive a **Transcript of Records** containing the list of courses attended at Andrzej Frycz Modrzewski Krakow University with final grades and ECTS points and a **Confirmation of Stay**.

► For more information about the documents to be collected after the mobility, please contact the **International Relations Office** at Andrzej Frycz Modrzewski Krakow University.

Below you can find the link with useful information and news of the University in English.
Please check this page frequently to find announcements about canceled classes, or exam dates:

Class Schedule

► **Virtual Dean's Office**: <https://dziekanat.uafm.edu.pl/>

After receiving the student ID, the IT department will create an account for you at the Virtual Dean's Office, where the class schedule will be available. The login details will be sent to your new AFMKU e-mail address.

If you have problems logging in, please contact wdlogin@uafm.edu.pl.

► **Course Catalogue**: <https://student.uafm.edu.pl/en/erasmus-incoming-students/courses-in-english>

If you have questions about the courses, please contact your **Faculty Coordinator**

► **Take note!** Some courses consist of a lecture and a tutorial, and therefore they will appear twice in the class schedule. In order to pass the course, you have to attend both the lecture and the tutorial (see the picture below).

Title of the course	Teacher(s)	WINTER					SUMMER				
		ECTS	Total Hours	Lecture	Tutorial	Lab	ECTS	Total Hours	Lecture	Tutorial	Lab
Visual Information and Structures in Business - 5th semester, 3rd year, bachelor's degree	Cziomer Marcin	5	30		30						

For example, Basics of Transplantology subject consists of 15 hours of lectures and 10 hours of tutorials.

Title of the course	Teacher(s)	WINTER				
		ECTS	Total Hours	Lecture	Tutorial	Lab
Basics of Transplantology, 1st semester		2	25	15	10	

Tutorials are held in small groups of students. In this case, you need to check the hours of tutorials of various groups, choose the time convenient for you and inform the professor that you want to participate in the tutorials with the selected group.

1. Central login to university (applications) services: <https://portal.uafm.edu.pl/en/>

MS Teams:
students will be added to groups

2. Contact the IT department if you did not receive the password via email – you need to provide the correct email address in the student ID application. Please fill in the student ID application carefully.
